Leftovers are for quitters:
I bet all of us have that memory of going over to Grandma’s house and our Grandma greeting us with a big batch of cookies! It’s about as classically American as can be. Well, you are invited to join Mason County 4-H as we take a page from our 4-H Video Library and make a batch of cookies that would make Grandma proud!

In this special live episode of our Mason County 4-H Video Series “4-H in the Kitchen”, we are going to show you how to make the 4-H Coordinator’s favorite cookies, Cream Cheese cookies, a recipe made popular by his Grandma Myers.

In order to make sure that everyone is prepared, the recipe for the cookies will be emailed out a week before the workshop in order to give everyone time to purchase the ingredients. It is recommended that parents help participants measure out ingredients the day of the workshop. A zoom invite for the workshop will be emailed out a day prior to the workshop.

Registration opens on August 12th. The workshop will take place at 4:00 pm, September 2, 2020. Participants will receive a zoom invitation for the event two days prior to the start date.

While youth ages 5 and up are welcome, it is strongly encouraged for younger youth to have a parent’s assistance in baking as this recipe involves kitchen appliances and use of the oven.
