A Money Management course from MSU Extension will help you get on track with your personal finances. Whether you are just a beginner or on the home stretch toward retirement, we will explore a variety of topics and give you information and encouragement to leave with a plan of action.

Presented by Bill Hendrian. Topics include:

- Communicating about money and making money decisions
- Setting financial goals and developing spending plans
- Understanding credit and paying down debt
- Protecting your assets and insurance
- Savings and investing for the future
- Homeownership, borrowing and solving money problems
