The Michigan Sea Grant-MSU Extension Fellows Program helps graduate students develop skills to assist decision-makers and other stakeholders to clarify actions or policy options, serving as honest brokers of policy alternatives, on issues important to the sustainability of the Great Lakes region.

**Application deadline:** Sept. 7, 2018

**For information contact:**
Dr. Heather Triezenberg, vanden64@msu.edu, (517) 353-5508
Manly Miles building, 1405 S. Harrison Road, Room 305, East Lansing, MI 48823

**University Outreach and Engagement**
Connecting Knowledge to Serve Society

**Michigan State University**
The Graduate school grad.msu.edu
Michigan State University graduate students interested in engaged scholarship for research and extension engagement within the Great Lakes region are invited to apply for the Michigan Sea Grant-MSU Extension Fellows Program.

The program offers opportunities for community-engaged scholarship and outreach and engagement relating to:

- Global freshwater fisheries
- Fisheries and food security
- Water quality, supply, and human health
- Great Lakes commerce and transportation
- Telecoupled systems

**Assignment:**
The length of the assignment is for one year, starting fall semester 2018.

**Application deadline:** Sept. 7, 2018

**Sponsored by** Michigan Sea Grant-MSU Extension, MSU Graduate School and University Outreach and Engagement.
