

KBS LTAR FIELD DAY:

↳ Kellogg Biological Station Long-Term Agroecosystem Research

Sustainable Agriculture in Action

SEPTEMBER 4, 9:30-1:30 PM

WHERE? 9693 N 40TH ST. HICKORY CORNERS MI

Agronomic, profit, & soil health outcomes

How does farming with a 5-crop rotation, no-till, cover crops and precision management compare to the prevailing corn/soy system?

Photo credit: Gavin Hutchings

Farming Innovations

- Cover crops
- Nitrification inhibitors
- Short corn
- Slug management
- Precision inputs & drone demo

Facilitating adoption of stacked conservation practices

Free Lunch & Networking

**REGISTER BY
AUGUST 22!**

Registration free,
but required
